

Editors – Professor David Luscombe and Professor Peter Stonier

LIST OF SUPPLEMENTS

- | | |
|--|---|
| S1. Role of Data Management in Clinical Development
Sheila Varley | S17. e-Clinical Trials
Andy Richardson |
| S2. Research Ethics Committees
Frank Wells | S18. The Challenge of Patient Recruitment
Jane Baguley |
| S3. Choosing a CRO: The Foundation of a Successful Partnership
Kenneth A Getz | S19. Use of human microdosing studies to improve the pharmacokinetic/bioavailability (PK/BA) quality of new drug candidates
Ian Wilding |
| S4. Outcome measures in the evaluation of intensive care
Nigel R Webster | S20. Commercial input into development plans
Philip Blake |
| S5. Surrogate end-points
Alan Bye | S21. Confronting the challenges in developing a biosimilar medicinal products
Cecil Nick |
| S6. Laboratories in Clinical Trials
Ann Speaight | S22. Clinical trials in Central and Eastern Europe
Jean-Pierre Tassignon |
| S7. Performance Management in Clinical Research: Understanding and Managing Costs
Steve Arlington and Andrew Brown | S23. Using Patient-Reported Outcomes as tools for clinical practice: a new paradigm
Benoit Arnould |
| S8. Benchmarking in the pharmaceutical industry
Alison Drasdo | S24. Simulation of Clinical Trials
Tony Greenfield |
| S9. Planning multinational clinical trials
Anne Rolland | S25. MedDRA: Medical Dictionary for Regulatory Activities
Christina Winter |
| S11. New Drug Development in Oncology
Jim Cassidy | S26. Paediatric Dose Ranging Studies
E David G McIntosh |
| S12. Outcome Measures in Clinical Trials of Pain
G C Fenn | S27. Nanopharmaceuticals
Raj Bawa |
| S13. Clinical Trials in China
Gamal Hammad and A Kamel Mashhour | S28. 'Informed consent' in clinical research: legal background and regulations
Esther Sabel and Stephen I Ankier |
| S14. Clinical Trials of Medicines in Children
Imti Choonara | |
| S15. Central and Eastern Europe – fertile ground for clinical trials
Lillian Natorff | |

Supplements are available either as hard copy booklets or pdfs.

Hard copy supplements cost £20 plus postage & packing. Pdfs cost £23.50 including VAT.

To order securely on line go to side menu Manual Supplements/pdf Supplements, select the required supplement and complete the order form.
